D.O. JS(SCM)/Misc./May/23

Date 16<sup>th</sup> June, 2023

Dear *MDs, CEOs, Colleagues*,

Municipalika 2023 is an annual event on urban issues. 17<sup>th</sup> Conference and Exhibition for "Smart and Sustainable City Solution" is being organized at Palace Grounds in Bengaluru, Karnataka from 28-30 November 2023 by Good Governance India Foundation with the support of the Ministry of Housing & Urban Affairs, Government of India.

The broad focus areas would cover the Smart Cities Mission, and the Urban and Housing Missions, including strategies, best practices, display of technologies and solutions on ICT, E-Governance, digital cities, water, wastewater, solid waste management, pollution control, energy efficiency, urban mobility, affordable housing, safety, and security and heritage conservation. Municipalika will also showcase various Smart Cities Projects happening across different States and Cities.

I request you all to consider participation in the event through the nomination of suitable officers, presentations in relevant segments of the Conference or showcasing Smart Cities Mission projects, activities, and achievements of 100 Indian Smart Cities.

Your Sincerely

Subject: “Municipalika 2023” - the 17<sup>th</sup> International Exhibition and conference on Safe, Smart and Sustainable City Solutions organized by Good Governance India Foundation- regarding.

Sir,

I am directed to refer to letter dated 24.03.2023 received from Good Governance India Foundation regarding Municipalika 2023, the 17<sup>th</sup> International Exhibition and conference on Safe, Smart and Sustainable City Solutions (Brochure attached for reference). They have mentioned that the event is being organized at Palace Grounds, Bengaluru from 28<sup>th</sup> to 30<sup>th</sup> November 2023, with the support of Govt. of Karnataka as host State.

2. In above context, Good Governance India Foundation has requested to communicate all State Urban Development Department, State Mission Directorate (SBM), Municipal Corporations, ULBs and other stakeholders & technology providers to participate in the Municipalika 2023 by taking up exhibition space and nominating delegates.

3. It is therefore, you may consider for the participation in the Municipalika 2023 organised by Good Governance India Foundation with support of Government of Karnataka. This will help to exchange knowledge and build awareness regarding the Swachh Bharat Mission activities and the best practices that are transforming Indian cities.

Encls: as above

## WHAT THEY SAID...

The focus of this year's exhibition and conference dovetails perfectly with PM Modi's flagship urban missions i.e. Smart Cities Mission, AMRUT, Swachh Bharat Mission, PMAY, and HRIDAY, anchored by the Ministry of Urban Affairs. The convening of Municipalika in Bengaluru is appropriate since Karnataka has emerged as a state with some of the most vibrant urban centers in the country. I am confident that participating officials and delegates will benefit from the strategies, technologies and solutions that will be discussed, displayed and demonstrated.

- **Hardeep Singh Puri, Minister of State (I/C), Housing and Urban Affairs, Government of India**

Over the three days of the show, we will be interacting with different municipalities and corporations from across the country, who are going to give us valuable suggestions which we will evaluate and be happy to implement.

- **B. S. Yediyurappa, Chief Minister, Government of Karnataka**

A show like this, with all these stalls from different organisations dedicated towards urban development, helps a lot to make all cities 'clean cities' in the long run.

- **B. A. Basavaraj, Urban Development Minister, Government of Karnataka**

The Housing and Urban Affairs Ministry has been participating in and supporting the Municipalika event for many years. It provides good opportunity to interact with participants from across the country, and be a part of deliberations on important urban and housing issues.

- **Durga Shanker Mishra, Secretary, Ministry of Housing and Urban Affairs, Government of India**

Municipalika plays a great role in bringing together various stakeholders like city managers, domain experts, consultants, government bodies for exchange of best practices for developing our urban spaces.

It has been a pleasure to participate in this event.

- **Mahendra Jain, IAS, Additional Chief Secretary, Government of Karnataka**

Municipalika is a great opportunity for Canadian companies to learn about the exciting developments and plans for transformation in India's urban infrastructure and smart cities.

- **H.E. Nadir Patel, High Commissioner of Canada in India**

It is a wonderful conference and it is fascinating to see so many people together. This is an important platform to share our ideas. We are all builders of our cities in our own way and through our day-to-day

actions.

- **Kunal Kumar, National Mission Director, National Smart Cities Mission**

As the apex industry body for promoting the interests of national development and all stakeholders in the city development, NAREDCO is happy to lend its full participation and support to Municipalika.

- **Dr. Niranjan Hiranandani, President, NAREDCO**

Municipalika is a very good exposition where a lot of municipalities including the smart cities are also participating. The response has been fairly good for us.

- **Sanjay Mathur, CEO, RMC & Key Accounts, UltraTech**

Municipalika is a great exhibition and we received a lot of delegates and a lot of new orders. It gave us the opportunity to showcase our products to large set of audience. Overall experience is very good and we look forward to participating in the next Municipalika as well.

- **Bhavesh Ambani, CMD, Ambani Group of Industries**

We are exhibiting in Municipalika and it is very interesting for us to see what all is going on in India. Many people showed a lot of interest for our product. It is a fantastic place to be and we have got a great response.

- **Sebastian Wiederin, Product Management – Construction Division, Getzner Werkstoffe**

## THE FUTURE OF CITIES : SAFE, SMART & SUSTAINABLE

Bengaluru, the capital city of Karnataka and a major IT hub in India, has become one of the fastest-growing cities in the country. Popularly known as the 'Silicon Valley' of India and the 'Garden City' of India, Bengaluru is the fourth-highest GDP contributor. The city has grown phenomenally in terms of technology, industry, enterprise and above all, opportunity.

Major IT companies, start-ups and multi-nationals have their headquarters in Bengaluru. The rapid pace of urbanisation, better educational environment, job prospects, healthcare and recreational facilities have contributed to the growing population of the city with an ever-increasing influx of people.

Bengaluru's growth has posed its own set of challenges. The city's green patches, parks, open public spaces, lakes and water bodies have been under strain over the years. There is an enormous pressure on groundwater supply while the consumption is rapidly rising. Waste management, sustainable urban transportation, etc. are other issues that the city faces.

The authorities and policy makers in the city of Bengaluru, and in the other urban centres of Karnataka, have been focussing on these challenges with a host of proactive policies, strategies, best practices, and technological solutions.

Coming out of the years of pandemic, safety and sanitation assume paramount importance on the public agenda. Pandemic episodes are likely to repeat in the coming years; now, the most important question is how best can public bodies prepare and face these unique situations without bearing the brunt of long and costly lockdowns.

Municipalika 2023, under the banner of Future Cities, aims at addressing these issues and providing a platform to all major national and international urban and housing stake-holders, technology and service providers, and institutions to discuss the possibilities, opportunities and solutions for these city development challenges, not only for the city of Bengaluru, but for cities and towns all over India.

# THE SHOW

- With the rapid pace of urbanisation, Indian cities and urban areas are experiencing massive expansion and growth, throwing up huge challenges and business opportunities. In most cases, the city level infrastructure is bursting at the seams. The Government of India programmes like Swachh Bharat Mission 2.0 - Sanitation for all, Housing for All under PMAY (Pradhan Mantri Awas Yojana), Smart Cities Mission 2.0, 500 Cities and beyond under AMRUT 2.0 (Atal Mission for Rejuvenation and Urban Transformation) and HRIDAY (Heritage City Development and Augmentation Yojana) for Heritage Cities are driving central and state governments, urban local bodies and private industry by creating the right environment and enabling them for building smart, safe and sustainable cities.
- The years of pandemic have brought to light new and unique challenges for cities: the increase in digitalisation and automation of services, the need for contactless experiences, safety of water and recycling, etc. How to make cities safe and resilient for a better tomorrow?
- For the last 20 years, Municipalika, International Conference and Exhibition on Making Cities Work has been instrumental in highlighting pertinent issues revolving around these challenges and opportunities, sharing best and leading practices, showcasing technological and managerial solutions and providing inputs for policy interventions.
- Municipalika 2023 is the 17th International Exhibition and Conference on Safe, Smart and Sustainable City Solutions.
- It will have the participation of Countries, States, Municipal Corporations and Parastatal boards displaying the initiatives they have undertaken for their cities, along with 500+ technology solution providers for city development needs, exhibiting their technologies and displays.
- More than 2,000 delegates and 10,000 visitors are expected to participate in the unique mega show for building better cities.

## WHO EXHIBITS AT MUNICIPALIKA

Solution providers of :

### Water & Wastewater

Water treatment, Desalination, Sewage Treatment, Recycling and Reuse

### Urban Transportation & Traffic

Mass Rapid and Multimodal options, Traffic Management and Parking Solutions, Intelligent Transport Systems, Smart Cards and Payment Technologies, Hyperloop, Personal Rapid Transit

### Electric Mobility

Electric, Hybrid, Alternative Fuel Vehicles, Autonomous Vehicles, Storage/ Batteries, Charging Infrastructure

### Safety & Security

Fire Safety, Prevention, Protection and Rescue, Security Installation with Audio and Video Surveillance, Disaster Mitigation

### Urban Housing

Housing for All, Slum-free Cities including technology and financing options

### Green Cities

Sustainable Infrastructure Development, Green Built Environment and Renewable Energy

### Sanitation, Solid Waste Management & Recycling

Sanitation for all, ODF Cities, Municipal, Industrial Hazardous, Bio-Medical, Construction & Demolition and E-waste/ Recycling and Waste to Energy

### Environment & Pollution Control

Pollution Control Technologies and Clean Air, Land and Water Technologies

### Urban Infrastructure Development

City Infrastructure for Roads, MRT, BRT, LRT, Transportation, Airports, Electricity and Lighting, Power, Telecom, Energy, Technology and Financing options

### Digital Cities

Geospatial/GPS Solutions for Smart Cities, E-Governance, ICT Applications

**CAPEX (Construction, Architecture, Planning and Engineering Expo)**

## Exhibitors of Innovative Building Materials & Technologies

Cement and Concrete ■ Steel and Iron ■ Fenestration, Doors, Windows, Systems ■ Glass and Glazing ■ Tiles, Sanitary Ware and Bathroom Products ■ Stones, Marbles and Granites ■ Paints and Coatings ■ Elevators, Escalators and Moving Walks ■ Heating, Ventilation, and Air Conditioning (HVAC) ■ Fire Protection, Security

## Terms & Conditions of Participation

Participation in **Municipalika Smart & Sustainable Cities / CAPEX India** is subject to the following terms & conditions.

1. The Exhibition Space Booking Form should be duly filled and signed by an authorised person along with company seal and submitted with requisite payment. Alternatively, applications may be made on participant's letterhead with payment. In any case, the booking will be subject to these Terms & Conditions governing participation.

2. Order acceptance shall be complete only when our written confirmation and bill is received by the Applicants.

3. The allotment and location of stands shall be at the sole discretion of the Organisers. Even if a location has been indicated, the Organisers reserve the right to change it.

4. Exhibitors will not be allowed to sub-let or divide their stands unless a special written permission has been obtained from the organisers. Violation of this clause will lead to additional payment liability as decided by the organisers.

5. Any Exhibitor failing to occupy its assigned space one hour prior to show opening or who leaves his or her space unattended during the exhibit hours, forfeits their rights to the space. All exhibits must be open for business during the exhibit hours. Exhibitors should not dismantle their display until the event is officially closed by the Organisers.

6. Exhibits must not be placed beyond the space booked by the Exhibitor from the Organisers in which case the Organisers reserve the right to charge @ 200% of the rate contracted, for the additional space charges, over and above the charges for the actual space booked. The distribution of brochures from the gangways is strictly forbidden. Equipment presentations, artistic shows and other promotional activities of the Exhibitor must be consulted with the Organisers in advance and cannot hinder or make impossible the operation of other stands or the free movement of participants and public.

7. Removing furniture and electrical equipments from another booth will tantamount to snatching and strict action will be taken in such cases. On-the-spot requisitions will be serviced one by one till the stocks are available, at a premium of 10% on usual rates. Participants are advised to make this extra requisition well in advance.

8. Nameboard fascia will be exactly as per this order and no change on-the-spot will be entertained. If the fascia name is specified on-the-spot, the same may be arranged by our contractors again on additional charge of ₹ 2500/- / US\$ 50, on first-come-first-served basis.

9. The Exhibitor shall bear the total financial responsibility for the equipment and stand fittings provided by the Organiser. Costs of all damages and losses arising from improper use of the stand shall be borne by the Exhibitor.

10. Amounts due for participation charges and extra services shall be paid in full before taking possession of the stall. The Organisers shall be entitled to annul the Exhibitors' participation in the Fair without the right to damages in virtue thereof if the participation charges has not been paid before taking possession.

11. The Organisers shall not insure or take responsibility for the Exhibitor's property. Exhibitors taking part in the Fair shall themselves insure their property

against burglary, fire and other Acts of God. The Organisers shall not be liable for damages resulting from theft, fire, gale, stroke of lightning, explosion, flood, cuts in power supply or other causes beyond the control of the Organisers.

12. Exhibitors shall not be entitled to cancel this agreement without the express written permission of the organisers and on terms acceptable to the organisers.

13. All statutory liabilities arising out of the participants' activities at the fair and/or any other taxes, levies or licenses required for their activities at the fair will be exclusive responsibility and liability of the participants.

14. The exhibitor indemnifies the organisers against all actions, expenses, costs, charges, or claims which the organisers or any of their contractors may be liable for in consequence or damage or injury to any person or property occasioned by or arising out of the act, default or negligence of the exhibitor, his representatives, servants or workmen or any person or persons or persons under his direction or any independent contractor engaged by him.

15. Any Exhibitor appointing a Contractor to build customised booth shall get the booth design approved from the organiser, at least 15 days prior to the event. The Exhibitor / Booth Contractor shall also get the Electrical Work inspected and No Objection Certificate (NOC) issued from the Official Electrical Contractor appointed by the Organisers.

16. Any disputes arising from the fulfillment of provisions contained in "The Terms and Conditions of Participation" shall be submitted to the jurisdiction of a civil court competent at the registered address of the Organisers. Any and all matters pertaining to the event not specifically covered by this contract and the rules and regulations as described in the Exhibitor's Information & Order Book, shall be subject to determination by the organiser. The organisers reserve their right to add or alter these regulations at any time.

17. Change in order (change in listing/fascia etc. ) should be communicated in writing/through email at least 10 days prior to the event. The Organisers will not be responsible for any misunderstanding arising due to verbally communicated instruction/request given to any individual Sales Executive.

### 18. Force Majeure

The exhibition may be postponed/shortened due to any cause whatsoever beyond the control of the Organisers. The Organisers shall not be responsible for any loss sustained by the exhibitors directly or indirectly, attributable to the elements of nature, force majeure or orders or directives imposed by any Governmental authorities. In such circumstances, the money paid by the exhibitors or any part thereof may be refunded at the sole discretion of the Organisers.

19. Use of public address systems, audio-visual systems and height of displays in the space booked is subject to no inconvenience to other participants and the Organisers decisions in this regard shall be final.

20. Soliciting employment of the organisers' staff is prohibited and in the event of a participant hiring the organisers' staff, an amount equal to 6 months' of salary offered to said staff will have to be paid to the organisers as recruitment and training costs.

21. Jurisdiction of any dispute will be in the courts of Kolkata, India.

Conference  
Organised by

Exhibition  
Organised by

24th March 2023

*copy*

Dear Smt. Roopa Mishra ji,

Warm Greetings from Good Governance India Foundation.

I am writing to you regarding **Municipalika, International Exhibition and Conference**, India's leading forum on city infrastructure and sustainable urban development organised since 2003. Ministry of Housing and Urban Affairs, the various urban, 'transformation' missions of the ministry, other related Ministries of the Government of India and many states and cities have been actively supporting and participating in Municipalika.

We had the privilege of the esteemed support of the **Swachh Bharat Mission (SBM) at Municipalika 2020** as well as in the earlier editions.

**Municipalika 2023, the 17th International Exhibition and Conference on Safe, Smart and Sustainable City Solutions**, is being organised at Palace Grounds, Bengaluru from 28th to 30th November 2023, with the full support of **Govt. of Karnataka as Host State**.

- We look forward to receiving in-principle confirmation of participation and support from the **Swachh Bharat Mission** for Municipalika 2023.
- As in earlier years, there will be dedicated Conference segments **on solid-waste management, Total sanitation, waste management and safe septage treatment and disposal etc**, for which we are expecting enthusiastic participation from Urban Local Bodies, Smart Cities across India, Water and Waste Utilities, PHEDS, Heads of Urban Infrastructure departments from various States/UTs, Sustainability Experts, Private Consultants and Service Providers for Infrastructure Development, Architects, Engineers, water and sanitation technology and solutions providers, and other industry experts.

The sessions above will help showcase the initiatives, challenges, solutions and roadmap for cities across the country under **SBM 2.0**.

We would be honoured to have you Chair the session/s, details of which we will be sharing with you shortly.

- As in the past, we would be thankful if a communication could go out from your office to all state mission directors for SBM, state urban development departments, municipal corporations, ULBs, and urban utilities across India, as well as other important stakeholders and technology providers inviting their participation in Municipalika 2023, by taking up exhibition space, and nominating delegates.
- We also propose and request that the Swachh Bharat Mission underwrite good exhibition space, say of around 200-300 sq m or as appropriate, for putting up an SBM Pavilion showcasing all the Mission's initiatives, projects, programmes, solutions, technologies and case studies.

- We also request Municipalika 2023 link/banner to be put on the SBM website homepage for creating better awareness of the event among all the SBM stakeholders.

We would be very happy to receive your suggestions and inputs on how to make the Session more productive and useful, and to take forward the Ministry's initiatives and message to the urban local bodies, utilities and other SBM stakeholders.

We are confident that your active participation and leadership will bring in much-needed insight and expertise to further enrich the conference, and will help to exchange knowledge and build awareness regarding the **Swachh Bharat Mission**, and the best practices that are transforming Indian cities each day.

1. Brochure of Municipalika 2023
2. Show Directory of Municipalika 2020
3. Post Show Report of Municipalika 2020

We request your approval at the earliest, so that we can incorporate, highlight and acknowledge the SBM participation, support and logo in the marketing collaterals.

Thank you,

With best wishes and kind regards.

To

The Principal Secretaries/Secretaries  
of Urban Development/Housing Department of all States/UTs

Subject: **Participation in Municipalika 2023, Exhibition and Conference, scheduled to be held from 28<sup>th</sup> to 30<sup>th</sup> November 2023 at Place Grounds, Bengaluru - reg.**

Sir/Madam,

I am directed to refer to the communication dated 23.03.2023 (**copy enclosed**) on the subject mentioned above and to state that the Municipalika is organizing 17<sup>th</sup> Exhibition and Conference for "Smart and Sustainable City Solutions" at Palace Grounds, Bengaluru from 28<sup>th</sup>-30<sup>th</sup> November 2023. More details of Municipalika are available in the Brochure enclosed. Municipalika is an annual event on urban issues, organised by Good Governance India Foundation.

2. The broad themes of Municipalika-2023 include Pradhan Mantri Awas Yojana's (Housing for All-Urban) initiatives in facilitating affordable housing programs, subsidies, facilitating green and disaster-resistant technologies for building materials, in the Conference and Exhibition segments. Further, the event will focus on strategies, best practices, display and demonstration of technologies, equipment and solutions for implementing ongoing urban missions including Pradhan Mantri Awas Yojana, Smart Cities Mission, AMRUT cities, Swachh Bharat Mission, etc. leading to large scale construction activity. The strategies and solutions will cover affordable housing, water and wastewater, sanitation, solid waste, urban mobility, safety and security, e-governance, energy efficiency, pollution control etc.

3. In view of the above, it is to state that it would be useful if there is participation from your State/UT in Municipalika-2023 Exhibition and Conference.

4. This issues with the approval of the Competent Authority.

Yours faithfully,

(B.K. Mandal)

Under Secretary to the Govt. of India
